

The following is a selection of wines recommended for larger groups dining at Nautilus Restaurant. I have included wines that are most readily available and that would generally suit the tastes of a wide range of people. If you have any questions regarding food matching I am happy to provide some advice. Similarly if the style you are specifically seeking is not represented here, I am more than happy to assist you with a choice from our full wine list, dependant on availability.

Damian McCabe - Sommelier
